# MAGNESE 1Wire HDMI (M) to DVI (M) - 2M

## Order Reference: MA-301033

## Product Information:

The MAGNESE® 2M HDMI® to DVI-D cable enables you to connect a DVI-D video card (or other DVI-D output device) to a display that incorporates HDMI technology; the cable supports bi-directional operation that also allows the reverse configuration, delivering digital video from an HDMI-enabled output to a DVI-D capable display.

A valuable addition to any digital signage, multimedia or home theatre application, this high performance cable is designed to provide the best quality picture available through either HDMI technology or DVI digital connections.
